

Do you want to show your dress in the Jubilee Fashion Show?

At the Jubilee there will be a Middle-earth Fashion Show, and you may participate!

Let others see the beautiful dresses you have created and hear your thoughts about your work.

Be part of a colourful dress show and display your most beautiful creations!

Rules:

- The number of dresses is limited to three (3) per person (maker)
- Modelling is allowed: instead of displaying your dress yourself you may have someone else wearing it in the show
- Primarily new dresses; we wish to see dresses that have not been shown or seen in a Forodrim context before (exceptions may be granted)

Signing up:

To sign up for participation, *for each dress* that you enter send us:

1. A photo or sketch of the dress.
2. A description of the dress, with regard to
 - colour and material
 - model and cut
 - what age (First, Second . . .) and/or kindred (Men, Elves . . .) you were thinking of
 - other thoughts about the dress, e.g. where you have found inspiration

Your contribution must have reached us by 15 April.

The fashion show takes place on Friday morning, in parallel with a block of talks.
